|------------------------------|-----------------------------------------------------------------------------------------------------------|
| 1) <b>Covering**</b>         | On smooth primed masonry surface by brushing:<br>1 coat : 16-18 sq mtr/ltr<br>2 coats : 07-10 sq mtr /ltr |
| 2) <b>Drying time:</b>       | Surface Dry time ~10-15 minutes                                                                           |
| 3) <b>Volume Solids</b>      | 36 +/-2                                                                                                   |
| 4) <b>Weight per ltr</b>     | 1.40 +/-0.02                                                                                              |
| 5) <b>Gloss/Sheen Levels</b> | 0-4 on glass plate at 60°-Matt finish with slight sheen                                                   |
| 6) <b>PH</b>                 | 8 to 9                                                                                                    |
| 7) <b>Touch Dry</b>          | 20 mins                                                                                                   |
| 8) <b>Shelf Life</b>         | Minimum 1 year from date of manufacture in original tightly closed containers                             |
| 9) <b>Pot Life</b>           | Use within 24 hrs                                                                                         |

\*\* Actual coverage may vary on factors such as substrate porosity, method of application etc. It is advisable and strongly recommended to check the covering on respective surface before use.

### Precautions

#### Before Use

- Do not over dilute or over extend the brush
- Stir Well Before Use

### Post Application

for removing stain, sponge clean with a mild soap solution and wipe clean. Ensure a drying time of 1 week before cleaning.

No rigorous scrubbing.

### Safety

Please refer to detailed MSDS of Pure Gold Distemper for detailed information on safe handling of product.

### Pack Sizes & Shade Range

**Pack size availability:**

**1kg, 2kg, 5kg, 10kg, 20kg**
